CONTEST TRAVEL RELEASE

The Department of Athletics wants to emphasize the importance of student-athletes riding the team bus to and from athletic events. The riding of the team bus creates a bond – a team unity among team mates and coaches. It is a sanctuary where athletes can commiserate after a loss or celebrate after a victory. It is an educational classroom where coaches can discuss team goals, strategies, give skill, game or practice instruction. A place where a coach can console, congratulate, or motivate an athlete. It is where the athlete and coach have an opportunity to communicate without any interruptions or outside interference. It is an environment that cannot be duplicated or recaptured at any other time than at that moment. You take these experiences, opportunities and more away from your child and our team when you transport them to or from a contest. UNDER SPECIAL CIRCUMSTANCES OR EXCEPTIONAL SITUATIONS, athletes may be excused from riding either to or from an athletic event on school authorized transportation. (Examples: funeral, medical emergency or hospitalized relative, religious observances, weddings or relatives, etc.) Please help us provide the best opportunity for your child and our team before considering this option.
